

# Dayer's In-house

*Fine food at your location*

The In-House facility is now becoming the most sought after way forward for providing consistent high standard of refreshments for employees. Dayer's Fine Foods are a leading local catering company providing in house catering solutions for businesses in and around the Basingstoke area.

## The bespoke in-house catering solution for your business

Our In-house solutions cater for 200 to 2000 people, Monday-Friday – to meet the varied company requirements hours and menus will be tailored to your specific needs.

## Flexible options to suit your location

You provide a purpose built kitchen and restaurant

or

Your provide the space and we do the rest with either our own or leased equipment

## Why Dayer's In-house?

At a cost of approx 40 pence per employee per day this could be the solution your business has been looking for.

## There are many benefits in positioning a catering facility on your premises;

- Fresh food prepared and produced daily on your premises by fully qualified chefs
- Consistent high service level flexible to your requirements
- Increased productivity – staff no longer need to leave the location
- A fully managed solution to provide the complete solution for all your catering needs

Dayer's Fine Foods are currently enjoying strong relationships with other blue chip companies in the Basingstoke area with our In-house facility and we would be happy to offer case studies and viewings.
